

**CFAA (sēē-fáh)****Creative Floral Arrangers of the Americas, Inc****CreativeFloral.org****The Power of Possibilities****Seminar Feb. 22-24, 2024****Marriott Airport Lakeside Hotel, Orlando, Florida****Session A: Workshop #1 Thursday, from Noon to 2:30 PM****A Floral Fusion w/ Arlene Stewart \$85****Bamboo Art Piece w/Container and Leaf Manipulation**

Looking to bring your floral designs to the next level? Here are some easy pieces to incorporate into your arrangements and give them an extra visual appeal. In this workshop, you'll learn how to create a unique structure using bamboo slices and a modern ceramic container to complement your floral design. Arlene will also be demonstrating some leaf manipulation techniques that you can incorporate.

Session A: Workshop #2 Thursday from 12:00pm to 2:30pm**"Ribbons" with Bess Treadwell \$85****Stick Weave Technique**

Enhance your floral arrangements with this simple addition! Join us to learn an innovative approach to add rhythm to your designs with fiber ribbons, created by you! Experience the art of Stick Weaving, a unique weaving technique that's sure to inspire!

Session B: Workshop #3 Thursday from 3 to 5:30 pm**Join Francine Thomas for "Infinity" \$150****Floating Flowers on a Rhythmic Stand**

Come to this workshop to learn how to make a stunning copper frame using a rhythmic wire circle. The design incorporates floating flowers and is elevated on a rhythmic stand. With this structure, you'll be able to create beautiful designs for any special occasion. Get ready to be entertained while you learn with Francine!

Session B: Workshop #4 Thursday from 3pm to 5:30pm**Betty Ann Galway - "Anything Goes" \$85****Design Your Own Circular Frames Structure**

Have fun working with fibers as you learn to creatively cover three wire frames and display them on a stand. In addition, you'll learn to add yarn coils to cover water floral tubes and create a more dynamic design. Don't let this opportunity slip away!

Session D: Workshop # 5 Friday from 9:00am to 11:30am**Experience "Wave of Light" with Francine Thomas \$150****Create a Versatile Rhythmic Structure**

You'll be inspired by the Southern Lights over Antarctica and create your unique design using a balsa wood frame. The frame can be constructed in different ways, including vertical, horizontal, or even diagonal, to create a one-of-a-kind piece. The rhythm is heightened by using midelino sticks with the frames and adding provided flowers. Once you return home, you can add special flowers to suit any occasion. Don't miss out on this exciting opportunity!

Session D: Workshop #6 Friday from 1 to 2:30 pm**Discovering the "Power of Collages" with Gina Jogan \$85****Create a Collage on Canvas**

In this workshop, participants will receive a 9x12 art canvas and their selection of materials, including papers, fibers, fabrics, and plant material, to create their unique art piece or petite staging panel. Attendees are encouraged to bring florist scissors and regular cutting scissors, as well as any fabrics, flat horticulture, snippets of lace, papers, or other items they feel would enrich their collage. Whether you're planning an "Art" piece or a staging panel, what you choose to put on your canvas is entirely up to you. Enhance your designing by incorporating collages!

Session E: Workshop #7 Friday from 3 to 5 pm**Fun with Ikebana w/ Irene Gomulka \$85****Sogetsu Ikebana- a Primer for Creative Floral Design**

Join us on for a session on the art of Ikebana. Learn about the traditional essence of minimalism and clean lines, as well as asymmetrical design principles. Participants will have the chance to create their own freestyle arrangement using Ikebana methods, and will receive a bamboo upright container and floral materials. Don't miss out on this opportunity to engage with a beautiful and sophisticated art form!

Session E: Workshop #8 Friday from 3 to 5 pm**"Inspirations" with Kathy Ward \$85****Botanical Wearable Art**

Explore the fascinating world of botanical wearable art! Learn about the various components such as seeds, pods, dried and fresh flowers, that can be used to create unique and beautiful necklaces. Afterward, you can unleash your creativity by using a variety of dried plant materials to craft your own wearable art, including a necklace and earrings.
